Rules in Vogue for Promotions.

204. Sri P. ANJANAPPA (Pavagada).—

Will the Chief Minister be pleased to state :—

(*a*) the rules in vogue for promotion of II Division Clerks and other officials to I Division Cadre in all the Government Departments ;

(*b*) whether it is a fact that the officials from the integrated areas were given seniority over the officials of ex-Mysore area on the basis that they were drawing pay in higher scale in the corresponding posts ;

(*c*) whether they would consider the length of service put by the officials and Gazetted Officers for granting promotions ?

A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*) The Recruitment rules of each Department indicate the method of recruitment, the percentage reserved for promotion and the minimum qualifications required for the cadre of II Division Clerks to I Division Clerks.

(*b*) No.

(*c*) Promotions have to be made as per rules, applicable to the respective appointments and not merely on the length of service put in by the employees.
